ASSESSMENTS & AWARDS

All teachers are constantly assessing the children as they swim. If a child proves too good for their class, we will liaise with yourself to pick a more suitable class.

End of term assessments will be given at the end of term with your child's progress. For your child to pass their current stage, they must achieve a "P" in each criteria which means they can demonstrate consistently the skill or element.

You are then able to purchase a Certificate and Badge for £5.
